Foreward

After years of unrecorded student activities and incidents we have brought to you this annual for the school year of 1946-1947. In this Year Book we hope to preserve many laughable and many cherished memories that otherwise would be forgotten.

We of the staff endeavored to make this annual one that will be treasured by all, and have tried to include everybody in it. We hope that you will be as pleased with this Year Book as we are. Therefore we, the staff, proudly present to you "The Mountaineer" of "1947".

FOOTBALL SCORES

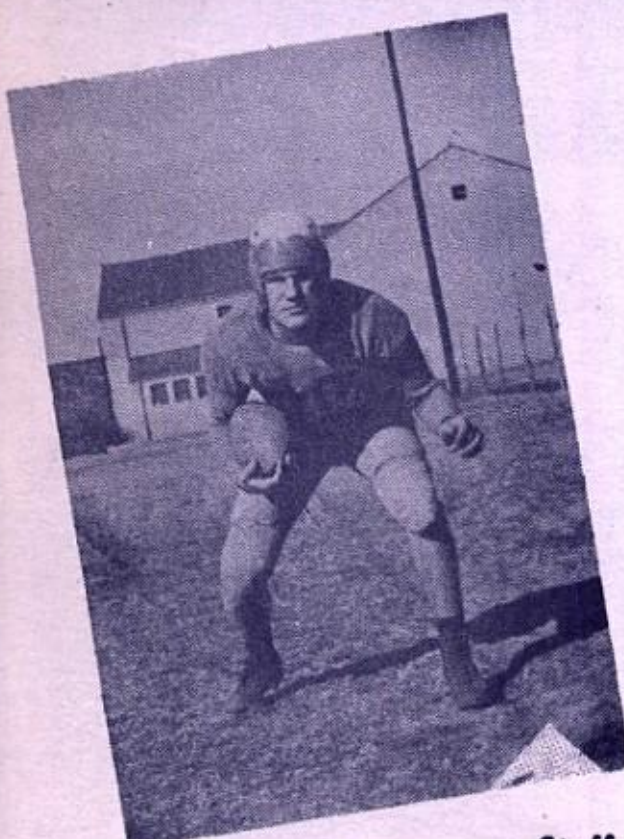

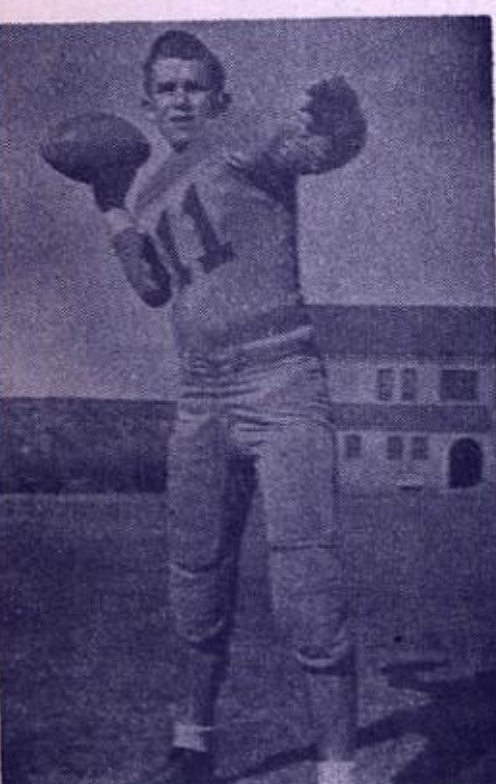

Bob Stafford—Bob played guard and was captain of the Mountaineers in the game with Winters. He made All District and also made Honorable Mention in the All State Pick. Bob turned in his best games against Cross Plains and Coleman.

Howard Lee Lovelady—Howard Lee played wingback and some at tailback. He was captain of the Mountaineers in the Rochelle and Ballinger games. Howard Lee turned in his best games with Rochelle and Coleman.

Gene Sherriod—Gene was elected captain of the 1946 squad. Gene called signals for the squad the entire year and turned in a wonderful job. Gene played spectacular ball the entire season, however, he practically ran the Brady Bulldogs off the field.

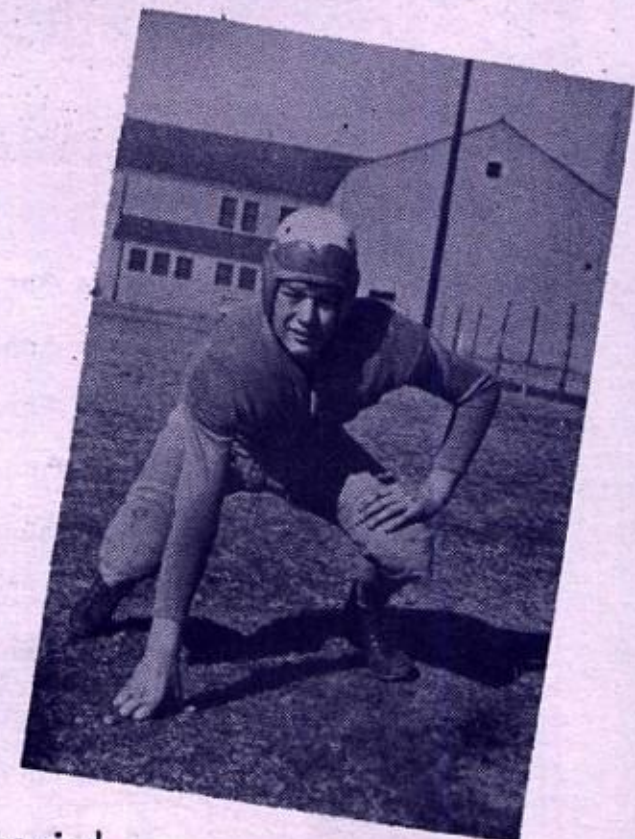

Stanley Cobb—Stanley played tackle and turned in a remarkable season at this position. This year being a Sophomore he should be a "war horse" by the time he becomes a Senior.

Maurice Kingsbery—Maurice was a hard running halfback who liked the game rough. Maurice acted as captain in the Cross Plains game. He turned in his best and most outstanding playing in the Lakeview and Cross Plains games.

Lovelady

Sherriod

Cobb

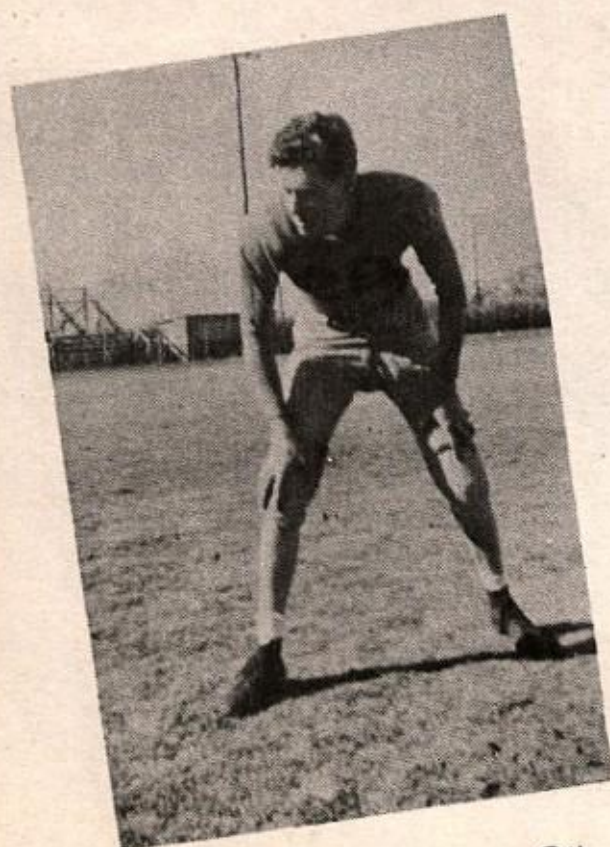

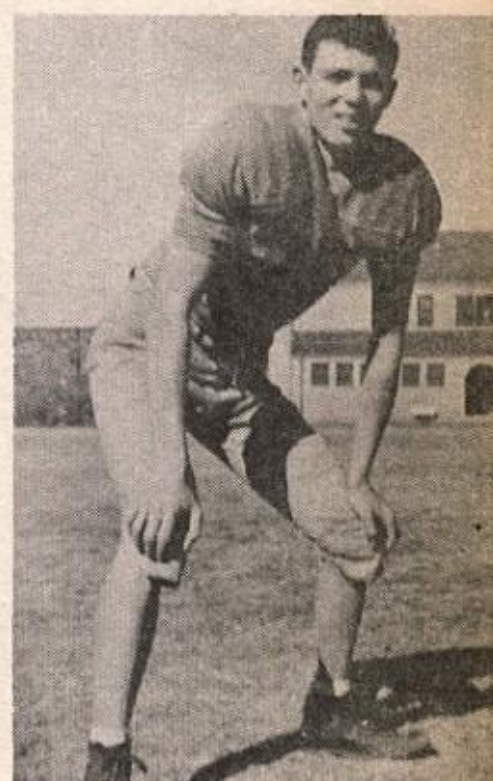

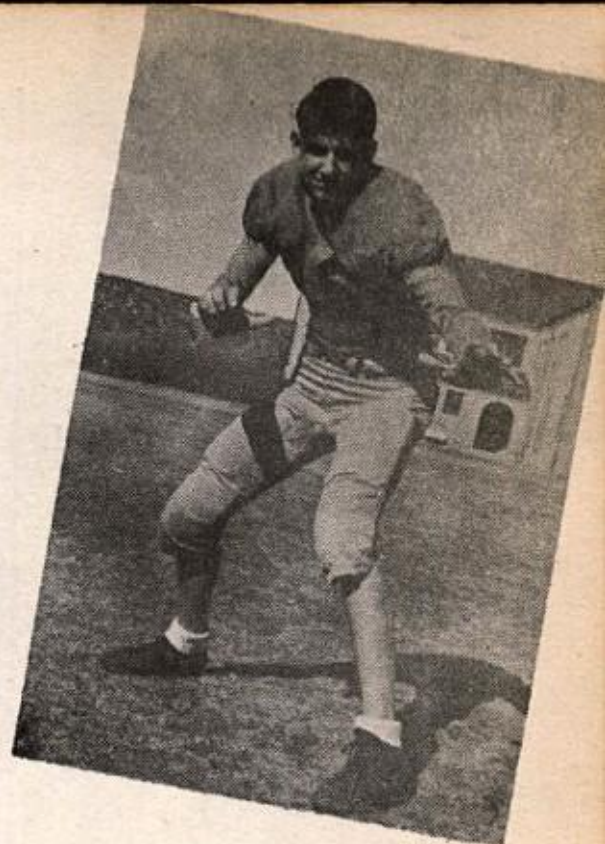

Olin Horton—Olin held down the position of left end. He was a hard charging end and turned in his best game against Brady.

Raymond Steward—Raymond played the position of right end. He played his best game against Winters.

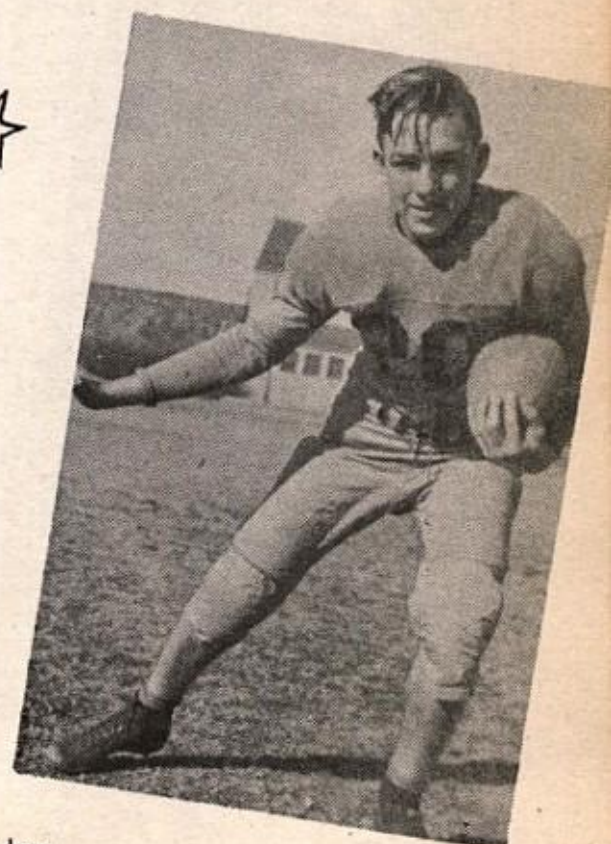

Jonie Hartman—Jonie played all over the Mountaineer backfield. He proved himself as a ball carrier in the Coleman game.

Pat Gilmore—Pat was a tall pass receiving end. Pat won recognition as a pass receiver District wide. He turned in his best games against Brady and Coleman.

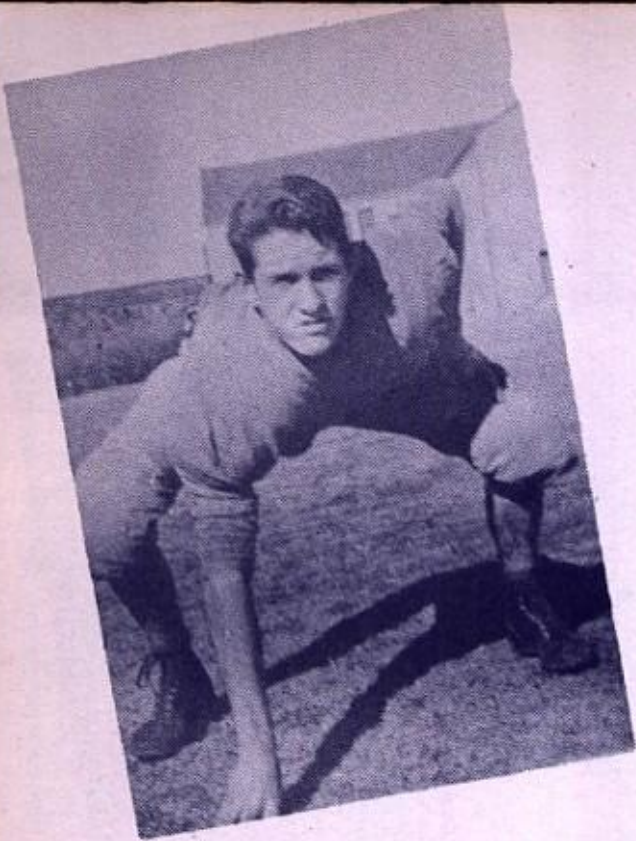

Freddie Henderson—Freddie held down the position of tackle. Freddie was a rough and rugged tackle who thought the rougher the game the better. He turned in a remarkable game against Brady.

Jerry Fulton—Jerry, although rather small, held down the position of guard. Despite his size Jerry was one of the outstanding guards in the district. He played his best games against Lake View and Brady.

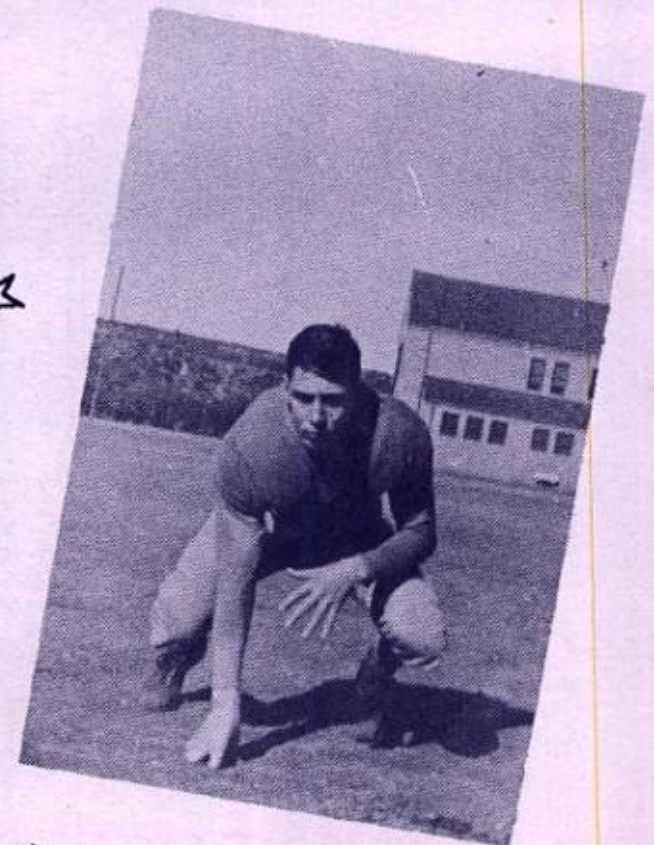

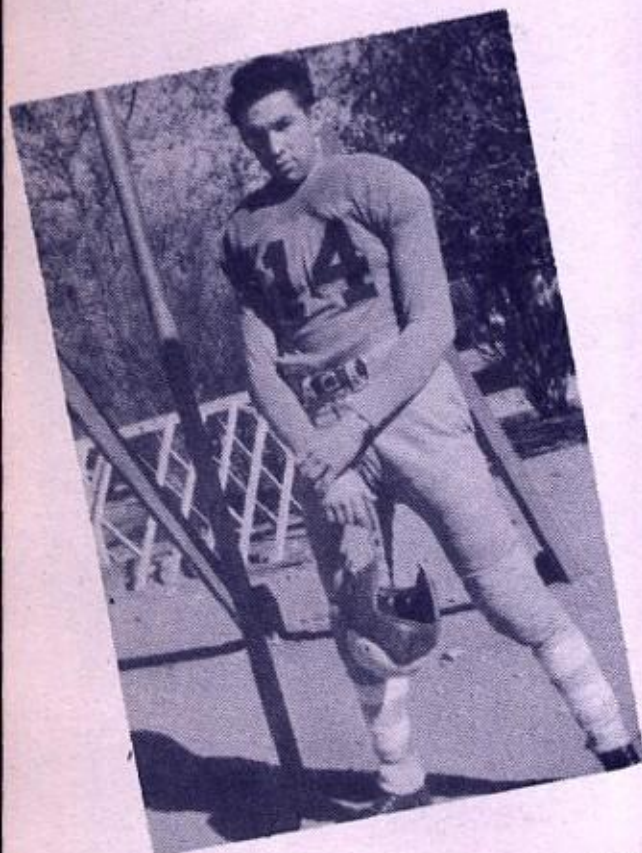

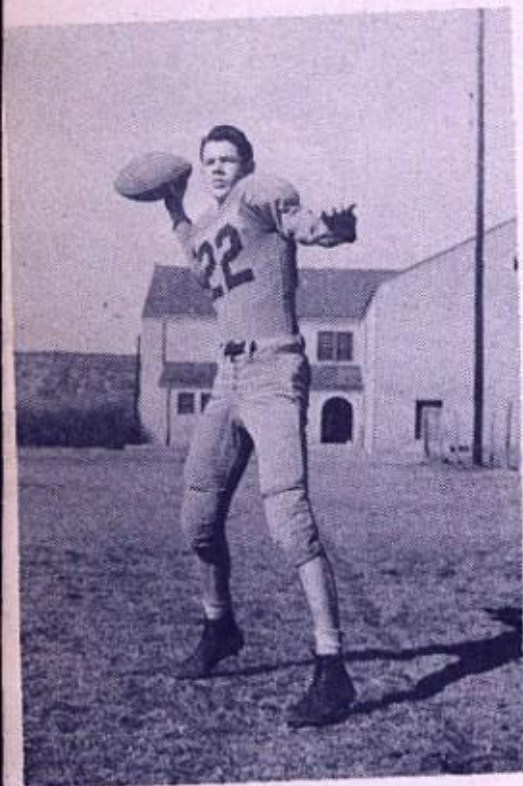

James England—James played end and also played some in the backfield. He was death on defense at either position. James played his best games against Cross Plains and Coleman.

Jackie Watkins—Jackie was a converted center and tackle. It made him little difference as to the position he was playing because the rougher it got the better he liked it. Jackie played a thorough brand of ball all season but stood out in the game with Brady.

Del Ray Stacy—Del Ray played guard and was always ready and waiting. Coach Whitaker used him as an example several times because no matter what part of the season you saw him all of his face was never there. He turned in his best game against Melvin.

Bob Henderson—Bob was very unfortunate because in the first game of the season he injured his leg which kept him from playing any the rest of the season. However the football squad voted him a letter.

Stacy

Arthur Dean Talley—Arthur Dean played blocking back and did most of the punting for the Mountaineers. In the game with Brady he got off a 70 yard punt.

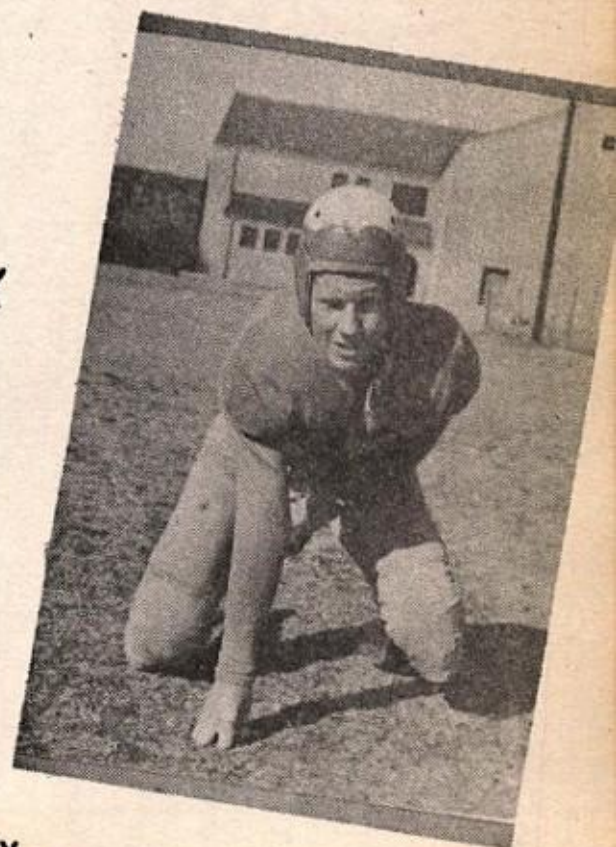

Boyd Stewardson—Boyd played blocking back, right half. He was a hard hitting tackler and dependable blocker. His best game was against Brady.

James Goodwin—James played guard. He was a wonderful blocker, rough and clean. He played good games in Cross Plains and Lake View.

Hilton Sherriod—Hilton played left guard. He loved to make a habit of tearing up the interference and getting the ball carrier. His best game was against Ballinger.

Chester Bryan—Chester was the toughest man on the squad and was therefore called "Husky". He was an excellent blocker and tackler despite his size. He turned in his best game against Winters.

King Austead—King had much spirit and chatter, enough for both teams. He was a good blocker and vicious tackler. He intercepted a pass against Coleman which was his best game.

One of the best runs in Early High game was Hartman's wide end run.

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
